Notes:

We will be spending the next two weeks doing research for our Career research project. We will spend this week in the library and next week in the computer lab, so students have access to multiples sources of information.

Due to the Mock STAAR test, the vocabulary quiz for Lesson 6, which would normally be scheduled for Friday, has been moved to Tuesday, 1/22. The packet will also be due on that day.

Please see the **Class Documents** link if you have any questions about the project. The project guidelines, rubric, and note-taking packet are all located on there.
